

5th January 2021

Dear Parent/Carer

Updated Arrangements – January 2021

Following the Prime Minister's announcement which placed the country into tier 5 restrictions last night, I am writing to inform you of our amended arrangements for this half term.

At the moment, the directive is that all students will return to school following the spring half term break. Provision for vulnerable children and the children of critical workers will take place on site until that date as previously planned.

I will update you immediately should any of these plans change and can only apologise for the late notice, as we found out about the changes at the same time as you.

Today has been the first day of remote provision and it has been fairly settled in school. A number of students working offsite have had some problems accessing work. If you have any issues, can you please contact Mr Carter on itsupport@paxmanacademy.school. He has access to all Class Charts information and passwords, and should be able to sort out any difficulties that you encounter.

My letter yesterday outlined that we would have a role in mass testing. I am involved in a number of meetings over the next few days and will update you on any developments regarding this.

The new year has been a challenging one so far. May I take this opportunity to thank you for your patience and for working with us to ensure that your children remain engaged in their learning at this time.

Yours sincerely

Mrs CA Moffat
Headteacher
