Wednesday 10 th March	Year 8 Return to School
Monday 29 th March – Friday 9 th April	Half Term
Monday 12 th April	Summer Term Commences

World Book Day

This week Paxman Academy has been celebrating World Book Day with a range of activities organised by our Year 8 World Book Day Ambassadors and myself. This has included: a World Book Day Bake Off competition – well done to our winners Sophie, Evelyn and Mya - a design your own character competition, the 'Masked Reader' and a World Book Day quiz.

Students have also been sharing their own book recommendations and putting together suggestions for our new school library.

We have all been very impressed by the creativity of our students and their willingness to get involved with activities remotely. Here are some creative entries from the Bake Off.

Mrs Gooder
Head of English

Celebrating Student Lockdown Work

Year 8 were set the challenge of creating something out of recycling or rubbish. Lily created a piggy bank from a recycled bottle!

This term we also started doing Food Technology and asked students to complete some practical cooking tasks. The first was pizza toast – here is Jasmin about to enjoy her hard work, along with other students' tasty looking efforts.

Ms Pattinson and Mrs Hooton

The regeneration of Salford Quays:

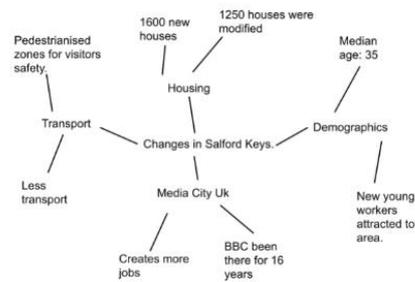

Regeneration= an attempt to reverse the decline in an area by both improving the physical structure, and the economy of that area.

Deindustrialisation- The decline of traditional manufacturing industry in a country or region.

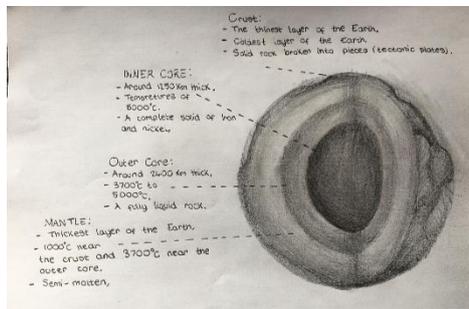

Industrialisation- When a country begins to move from primary employment to secondary employment, with a rise in manufacturing.

Regeneration- Attempt to reverse the decline of an area

Deprivation- The degree to which an area lacks key services.

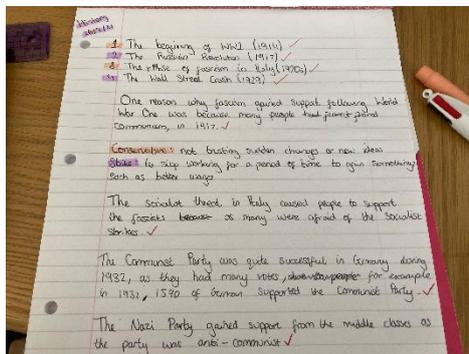

1. Regeneration means that there is an attempt at reversing the decline in an area
2. Manchester's docks need regenerating because of the amount of deindustrialisation in that area.
3. One success of the regeneration in Salford Quays is an expansion in woodland areas as they are creating a space to meet and see nature. This is a success because it means more woodland area. Another success is that they have created such a nice area that new, young workers want to work there and live in the area of Salford Quays. This means a better community.

Here are some examples of the fantastic work completed by Year 8 students in Geography and History.

We are incredibly proud of the hard work that all students have been putting into their remote Humanities lessons.

Mr Suen

A small selection of the wonderful collage beetles from my Year 7 art groups...

Ms Newman

The Essex Family and Wellbeing Service are running some great parent groups, courses, workshops and support services over the next few weeks offering support to parents on topics such as parent wellbeing, teenage anxiety and online safety. All of the services are free to access. Please see the posters below for further information.

Are you concerned about child's safety on the internet and would like advice and support on how to keep them safe?

The Essex Child and Family Wellbeing Service presents
Virtual eSafety Parent Workshops with

eSafetyTraining
 'The 2 Johns'

Wednesday 17th March 2021
8.00pm – 9.30pm

These free parent's workshops will look at the online world and how our young people are using it. How they are navigating around restrictions and using the internet without the parent's knowledge.

This includes :

- Favourite apps and games.
- Dangers they face
- How young people are being influenced online
- Solutions that parents can adopt to help keep their children safe.
- Stranger Danger message that parents are familiar with and make it ready for 2021

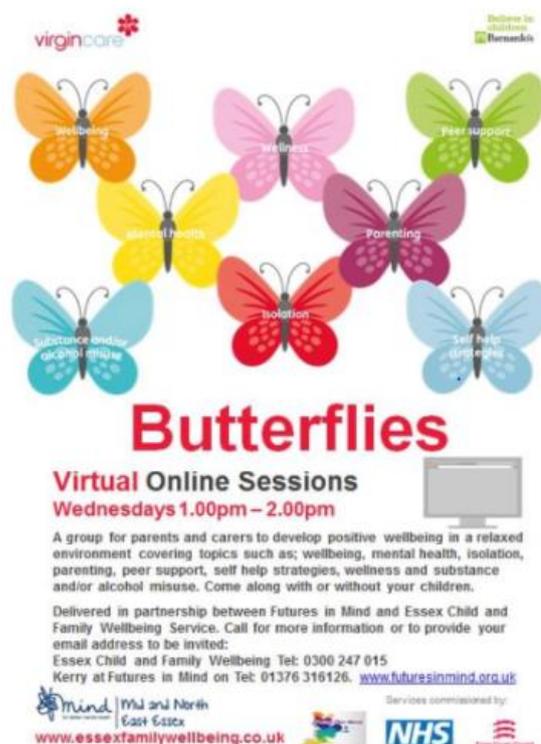

To book your place now please call us on **0300 247 0122**
 Monday – Friday 9am-5pm
